

1 A. Eight-hour day.

2 Q. So when you weren't working after the accident,
3 what were you doing?

4 A. What do you mean, "After the accident"?

5 Q. After you had the injury, the burns, and you didn't
6 go to work, were you sitting around the house? Were you
7 doing something else? What were you doing?

8 A. Yeah, I was at the house most of time.

9 Q. Did you have instructions from the doctor not to
10 do anything, or you know --

11 A. Yeah, I couldn't use my hand, so it was -- I mean,
12 besides sitting down and resting, or -- you know, they
13 didn't want me to move it as much because then it wouldn't
14 heal properly. So I had to limit what I could do.

15 Q. When I looked at these Tampa General hospital
16 records, I see that once they discharge you, they asked you to
17 follow-up with a rehab medical burn clinic in a week. And I
18 asked your attorney for records, and he was unable to
19 produce those. Did you go for the one-week follow-up to
20 this rehab medical burn clinic?

21 A. Yes.

22 Q. You did. Where was that at?

23 A. It's in the Tampa General, it's like behind a
24 little bit.

25 Q. And what did they -- you went back there? Your
